Why & What is all about?

- ▶ **Litigation strategy**...parties's plans (*forum shopping*) can be torpedoed, watered-down...
- ▶ **Anti-suit injunctions** (re)entered in the EU
- ▶ Links and bridge to **NY Convention** [1958] – Kompetenz-Kompetenz doctrine
- ▶ **Brussels Regulation I bis** ... a step forward?
- ▶ Effects of cases C-185/07 **West Tankers** and C-536/13 **Gazprom**
- ▶ **In favorem Arbitration: Recital 12, Art. 73 (BR I bis)** and what is left to the future?
